In a small village in an Indiana town a party of men were in the tavern office, and for pastime had a piece of chalk and were each seeing how high they could reach up and mark on the wall.

Each had a try and the tallest had set his mark several inches higher than the rest, when a long, lean and lank stranger entered. He sized the situation up and asked to be allowed to enter the contest. The chalk was handed to him, and stretching out his sinewy form he made his mark 17 inches above any mark that had been made—the stranger was Abe Lincoln.

Just so it was with the Maysville High School. After all the other "Commencements" had been held and the marks of merit and achievement had been placed high upon the wall of Fame, there came the Maysville High School, which, like "Honest Abe" quietly reached up and placed its mark high above all the others and modestly retired with the prize.

The interest manifested by the public spirited people of Maysville in our local educational institutions is one of the most gratifying signs of our progress and presages great things for the future. The hope of a superior citizenship must come from the schools.

It was good to see last night that our leading men and women attested by their presence their deep interest in the success of the endeavors of the Maysville High School.

In the boxes were Dr. A. G. Browning, Dr. J. A. Reed, Dr. S. R. Harover, Dr. H. K. Adamson, Dr. J. H. Samuel, W. H. Ryder, Dr. Thomas E. Pickett, Dr. J. B. and W. H. Tanhee, Dr. P. G. Smoot and Dr. A. N. Ellis. The other members of the Board of Education were seated among the audience and the crowd present nearly filled the Washington Opera-house.

The sweet girl graduates never looked sweeter; and the High School "cadets" never appeared more manly.

The introductory address to the "Class of '07" by Supt. D. S. Clinger, was eloquent, well-worded and timely.

The two vocal numbers by Miss Nellie B. Clarke, were rendered exquisitely by this notable young singer and she was greeted with cordial applause.

Accompanying Miss Clarke, Miss Lydia Berry presided at the piano with her usual skill and ability.

Dr. W. S. Yazell, President Board of Education, in presenting the diplomas to the class, was happy and classical in his diction and spoke pleasingly and to the point.

Miss Byrdie Lindsey, a pianist of note of Columbus, Ohio, executed several numbers which delighted the audience and called for the great applause.

The "Commencement of 1907" went into history with the address of the evening by Milton W. Brown, of the Lyceum platform, who for 70 minutes had the rapt attention of the vast audience. His subject was "Superfluous Man" and his pleasing and interesting remarks went deep into the subject of practical education.

RECKLESSNESS

In Swinging Onto Moving Train—a
Narrow Escape

Wednesday afternoon about 5 o'clock a colored man named Smith, a section hand on the C. and O., swung himself onto a passing freight train at the foot of Market street and before he could clear himself his body came in contact with the middle railing on the viaduct bridge. He was knocked from his insecure position on the car and fell down the open space between the two tracks onto the grade, a distance of some fifteen feet.

Quite a number witnessed his hazardous feat when he boarded the moving car, and were watching his movements when he was struck and knocked loose and fell, as they supposed, to death.

Smith evidently has a charmed life, for with the exception of a scalp wound he was apparently unharmed, and arose from his fall and trotted off down to the depot to catch another train that he might continue his homeward journey in time for his evening meal.

That he was not killed can only be accounted for on the theory that he carried a rabbit foot in his pocket and thus preserved his life.

In a large number of instances where lives are snuffed out by railroad accidents the fatality is the result of pure recklessness, as was the case in this instance, and had Smith been killed some people would have been ready to charge it to the fault of the railway company.

It is a singular fact however, that not less than seven men have been killed, or died from injuries received, between Limestone creek and the depot in the West end, by C. and O. trains in the last 18 months, and possibly without a single exception the fault was other than that of those in charge of the moving train.

GOVERNOR HUGHES of New York, who vetoed the 2-cent railroad fare bill passed by the Albany Legislature, similar to the measure adopted by many states, declared that his objections were on the broad principle that the effect of the bill was unfair to the railroads. The bill discriminated in favor of roads less than 150 miles in length and the Governor took the just ground that the bill was class legislation. THE LEDGER took this view of the same act several weeks ago. "Equal and exact justice to all," the constitutional law says.

STOP WOMAN AND CONSIDER

First, that almost every operation in our hospitals, performed upon women, becomes necessary because of neglect of such symptoms as Backache, Irregularities, Displacements, Pain in the Side, Dragging Sensations, Dizziness and Sleeplessness.

Second, that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, has cured more cases of female ills than any other one medicine known. It regulates, strengthens and restores women's health and is invaluable in preparing women for child-birth and during the period of Change of Life.

Third, the great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time being published by special permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

Lydia E. Pinkham's Vegetable Compound

For more than 30 years has been curing Female Complaints, such as Dragging Sensations, Weak Back, Falling and Displacements, Inflammation and Ulceration, and Organic Diseases, and it dissolves and expels Tumors at an early stage.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass. for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law, Lydia E. Pinkham, in advising. Thus she is especially well qualified to guide sick women back to health. Write today, don't wait until too late.

The Germantown Lariat says Mrs. Mary Griffith, wife of Grover Griffith, living near Fernleaf, was a sufferer from a rather peculiar accident during the thunder storm Tuesday afternoon of last week. She had gone out to put up her chickens and was standing under a locust tree. Lightning struck the tree and while not even giving her a shock, severed a limb from the tree which fell upon her and broke her arm.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

"YOUR PERSONAL CHARMS"

A lady's taste is judged as much by the perfume she uses as by the dress she wears. It emphasizes her personality—if fine. The lady who adopts any of our Perfumes secures an additional "personal charm," because it's the unusual that attracts, whether in dress, carriage or "her atmosphere." We are in a position to show a line of Perfumes unsurpassed by none, as we carry the leading colors of the foremost perfumers, such as Colgate, Wright, Palmer, Hudnut, Freeman, Hickescker, Kieger and others. See our window display. Come in and we will perfume your handkerchief.

IT'S YOUR KIDNEYS.
Don't Mistake the Cause of Your Troubles. A Maysville Citizen Shows How to Cure Them.
Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Maysville people testify to permanent cures.
W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says:
"I value Doan's Kidney Pills as highly today as I did when I first used them in 1899. I got a box and used it for a pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until a year ago. I again procured Doan's Kidney Pills and all symptoms of the trouble were quickly and thoroughly removed. Since then I have not noticed any signs of trouble of any kind arising from my back or kidneys. I most cheerfully re-endorse Doan's Kidney Pills for they are certainly worthy of recommendation."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no other.
